Part X FIN48 Footnote	Accounting principles generally accepted in the United States of America require the Foundations management to evaluate tax positions taken by the Foundation and recognize a tax liability if the Foundation has taken an uncertain position that more than likely would not be sustained upon examination by applicable taxing authorities. Management has analyzed the tax positions taken by the Foundation and has concluded that as of June 30, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Foundation is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. Tax years prior to 2013 are closed.
