The Iowa operations have been part of a 140 year system of care sponsored by the Wheaton Franciscan Sisters, formerly incorporated in 1983. In 2016, the Wheaton Franciscan Sisters transferred their Iowa operations to Mercy Health Network, an Iowa-based health care system based out of Des Moines, Iowa. Mercy Health Network (MHN) is an integrated system of member hospitals and other health and patient care facilities united into one operating organization to improve the delivery of healthcare services to the people of Iowa and adjoining states. MHNs sponsors own and operate medical centers and other services in Clinton, Des Moines, Dubuque, Mason City, and Sioux City, and community hospitals in six other locations. In addition, MHN has 27 members who participate through contracts for management and other services. Mercy Health Network (MHN) was founded in 1998 under a joint operating agreement between two of the largest Catholic, not-for-profit health organizations in the United States. Catholic Health Initiatives, based in Englewood, Colorado, and Trinity Health, based in Livonia, Michigan. Covenant Medical Center in Waterloo, Iowa was founded in 1986 when Wheaton Franciscan Services consolidated St. Francis Hospital (founded in 1912) and Schoitz Medical Center (founded in 1904). Covenant Medical Center was located in two locations until 1991 when all acute care services were combined at one site. The other site was transformed into an assisted living center and adult services center. In 1993, Franciscan Ministries transformed the former Schoitz Hospital building into Ridgeway Place, which provides housing for independent elderly residents. In 1995, Wheaton Franciscan Services Iowa region was renamed Covenant Health System and included Covenant Medical Center in Waterloo, Covenant Foundation in Waterloo, Mercy Hospital in Oelwein, N E Iowa Real Estate Investments and Schoitz Health Resources. Sartori Memorial Hospital became a part of Covenant Health System in 1996 when the system entered a long-term lease agreement with the City of Cedar Falls. In 2006, Covenant Health System was renamed Wheaton Franciscan Healthcare-Iowa, to reflect its continued commitment to an integrated health care delivery system for residents of Northeast Iowa. Today Wheaton Franciscan Healthcare Iowa includes Covenant Medical Center (and its unincorporated division, Covenant Clinic) and Covenant Foundation in Waterloo, Mercy Hospital in Oelwein, Sartori Memorial Hospital and Sartori Health Care Foundation in Cedar Falls, and N E Iowa Real Estate Investments. Return Reference	Explanation
Schedule C Disclosures	Schedule C Part II-B Line 1i: Wheaton Franciscan Healthcare was part of a controlled group of healthcare organizations through late in the fiscal year, when most of the entities were transferred to new parent organizations. These entities were related through these respective dates, through a common parent organization, Wheaton Franciscan Services, Inc. Certain entities within this controlled group engaged in limited lobbying activities that benefited each organization collectively. For calendar year 2015, Wheaton Franciscan Healthcare employed two individuals whose responsibilities included oversight and management of lobbying activities for these organizations: the Senior Vice President of Strategic Initiatives and the Director of Government Relations and Advocacy. The Senior Vice President provided strategic oversight for the department and participated in visits with key elected officials when appropriate. The Director provides on-the-ground support, served as the first point of contact for elected officials, and executed on legislative lobbying activities that supported the strategic interests of the organization. These lobbying activities approximated 50% of total annual salary for the Director and no more than 20% for the Senior Vice President. A benefits factor of 25% was added, and the total was allocated amongst the organizations that received the benefit of these services. The lobbying activities included advocacy efforts related to public policy proposals such as changes to Medicare and Medicaid funding, federal or state legislation that may impact the organization, participating in and coordinating visits with elected officials at all levels of government (local, state and federal), mobilizing grassroots efforts on behalf of the organization on issues of interest, coordinating advocacy activities in conjunction with relevant trade associations, and providing internal awareness on specific state related legislative issues when the need arises. The portion of direct expenses related to annual employee business travel to Washington DC or other locations, in order to lobby for issues important to healthcare providers and patients, have been included if applicable. Finally, any trade association dues containing a percentage portion allocable to lobbying activities, has been identified, and added or estimated as appropriate. Schedule I Disclosures	Wheaton Franciscan Healthcare maintains files and records to manage the decision-making and award process for organizations that it provides community sponsorship dollars to. Decisions are made by a Community Sponsorship Committee with leaders who hold positions in Diversity, Strategic Planning, Mission Services, Marketing and Philanthropy. The Committee generally strives to sponsor organizations that have missions that align with the mission, vision and values of Wheaton Franciscan Healthcare. The committee also looks for certain other criteria when deciding which organizations will receive contributions, including but not limited to supporting healthcare related activities within the Southeast Wisconsin, Iowa, and Illinois markets, supporting programming that work to further diversity and cultural competency, aligning with other WFH business relationships or service lines, supporting student academic achievement or workforce development initiatives, and finally, supporting environmental "green" initiatives. Leaders periodically meet with representatives of sponsored organizations to discuss objectives including how dollars will be spent. Additionally, Wheaton Franciscan Healthcare may, at a later date, ask for documentation in order to monitor that funds were spent for their intended purpose. Currently, confirmation letters are sent to sponsored organizations when award dollars are given, that confirm the dollar amount awarded and the intended purpose, with a request that the recipient acknowledge receipt of the funds in written correspondence. Files are maintained in the Organizational Change and Leadership Performance Department to include copies of letters of request, award and denial letters, additional documentation if requested, along with acknowledgement receipts from sponsored organizations.
