Return Reference	Explanation
Schedule C Disclosures	Schedule C Part II-B Line 1i Wheaton Franciscan Healthcare was part of a controlled group of healthcare organizations through late in the fiscal year, when most of the entities were transferred to new parent organizations. These entities were related through these respective dates, through a common parent organization, Wheaton Franciscan Services, Inc. Certain entities within this controlled group engaged in limited lobbying activities that benefited each organization collectively. For calendar year 2015, Wheaton Franciscan Healthcare employed two individuals whose responsibilities included oversight and management of lobbying activities for these organizations: the Senior Vice President of Strategic Initiatives and the Director of Government Relations and Advocacy. The Senior Vice President provided strategic oversight for the department and participated in visits with key elected officials when appropriate. The Director provides on-the-ground support, served as the first point of contact for elected officials, and executed on legislative lobbying activities that supported the strategic interests of the organization. These lobbying activities approximated 50% of total annual salary for the Director and no more than 20% for the Senior Vice President. A benefits factor of 25% was added, and the total was allocated amongst the organizations that received the benefit of these services. The lobbying activities included advocacy efforts related to public policy proposals such as changes to Medicare and Medicaid funding, federal or state legislation that may impact the organization, participating in and coordinating visits with elected officials at all levels of government (local, state and federal), mobilizing grassroots efforts on behalf of the organization on issues of interest, coordinating advocacy activities in conjunction with relevant trade associations, and providing internal awareness on specific state related legislative issues when the need arises. The portion of direct expenses related to annual employee business travel to Washington DC or other locations, in order to lobby for issues important to healthcare providers and patients, have been included if applicable. Finally, any trade association dues containing a percentage portion allocable to lobbying activities, has been identified, and added or estimated as appropriate. Franciscan Healthcare streamlined their reporting of IRS Forms 1099-MISC so that most 1099-MISC are now reported using the FEIN number of the parent organization or of a related organization The actual expense continues to be either paid by, or transferred to, the individual entity, w hich is normally a subsidiary or related organization to the organization(s) issuing the 1099 For this reason, the reader may notice on some 990's that there are top 5 independent contractors reported, but no 1099s are reported Likew ise on the 990's of the organization(s) reporting number of 1099's,
