Schedule I Disclosures	Wheaton Franciscan Healthcare maintains files and records to manage the decision-making and award process for organizations that it provides community sponsorship dollars to. Decisions are made by a Community Sponsorship Committee with leaders who hold positions in Diversity, Strategic Planning, Mission Services, Marketing and Philanthropy. The Committee generally strives to sponsor organizations that have missions that align with the mission, vision and values of Wheaton Franciscan Healthcare. The committee also looks for certain other criteria when deciding which organizations will receive contributions, including but not limited to supporting healthcare related activities within the Southeast Wisconsin, Iowa, and Illinois markets, supporting programming that work to further diversity and cultural competency, aligning with other WFH business relationships or service lines, supporting student academic achievement or workforce development initiatives, and finally, supporting environmental "green" initiatives. Leaders periodically meet with representatives of sponsored organizations to discuss objectives including how dollars will be spent. Additionally, Wheaton Franciscan Healthcare may, at a later date, ask for documentation in order to monitor that funds were spent for their intended purpose. Currently, confirmation letters are sent to sponsored organizations when award dollars are given, that confirm the dollar amount awarded and the intended purpose, with a request that the recipient acknowledge receipt of the funds in written correspondence. Files are maintained in the Organizational Change and Leadership Performance Department to include copies of letters of request, award and denial letters, additional documentation if requested, along with acknowledgement receipts from sponsored organizations.
