The Foundation is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Foundation is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purpose. The Foundation has determined it is subject to unrelated business income tax and will file an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS to report its unrelated business taxable income. The Foundation believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. The Foundation would recognize future accrued interest and penalties related to unrecognized tax benefit and liability in income tax expense if such interest and penalties are incurred.
