Thus, it must attract, retain and engage the highest quality officers and key employees to lead the organization and help the organization maintain its national reputation for achieving high targets for medical quality, patient safety, and patient satisfaction. Part V, Question 1a	In October 2013, Baylor Health Care System (BHCS) and Scott & White Healthcare (SWHC) combined into one new integrated health care delivery system (System) BHCS and SWHC formed Baylor Scott & White Holdings (BSW Holdings) and Baylor Scott & White Health (BSWH) in connection with their combination BSW Holdings is the sole member of both BHCS and SWHC and serves as the new parent organization for the System and has control and substantial reserved powers over all of BHCS and SWHC material affiliates. Additionally, BSWH was formed to serve as the new service company of the system and provides centralized administrative and management services to the System During the tax year, certain operations and employees were moved from the legacy parent organizations (BHCS and SWHC) to BSW Holdings and/or BSWH as part of these integration efforts. During this integration, employees of BHCS, SWHC and/or other affiliates were moved and/or transitioned to BSW Holdings or BSWH. However, due to timing of year ends and integration of accounts payable systems certain information return filings (e.g. Forms 1099) were reported under the federal tax identification numbers of BHCS, SWHC or another wholly controlled affiliate under a common paymaster, common agent and/or other transition services arrangement. Therefore, BSW Holdings and BSWH did not have any amounts to report in Part V, Line 1a for the calendar year ending within the tax year.
