4a

(Code) (Expenses \$ 2,383,102 including grants of \$) (Revenue \$ 76,495)

The Strong Families & Early Learning Program Area supports families with young children through policy research, development and advocacy, public education and action campaigns that support positive parent engagement, and coalition work. Research shows that the earliest years of life are critical to a child's long-term success, but dramatic changes to the workforce have left families facing more stress and demands on their time than ever before. We give parents and communities tools to foster early brain and language development, and advance policies focused on nurturing environments, high quality child care, early learning, and supportive workplace practices.

4b

(Code) (Expenses \$ 1,008,384 including grants of \$ 44,727) (Revenue \$)

The P-12 Equity and Excellence Program Area provides infrastructure for new and existing efforts aiming to improve student outcomes through strong policies and practices for students, teachers, schools, families, communities. While the bulk of our activity is encompassed by the Partners for Each and Every Child project described below, we are also building cross-sector strategies and alignment across workforce, higher education, health, and justice.

4c

(Code) (Expenses \$ 1,255,005 including grants of \$ 984,291) (Revenue \$)

The Opportunity & Justice Program Area builds avenues to social mobility for individuals, families and communities impacted by mass incarceration. Millions of Americans are enmeshed in the criminal justice system, half of them are parents of minor children and all of them deserve a chance to succeed. We build pathways away from criminal justice and toward educational success, career entry, and family security.
