Grant distributions will generally be paid to Internal Revenue Code Section 501(c)(3) organizations for charitable or educational purposes. Priority will be given to those organizations which have demonstrated active efforts to help themselves, either through substantial volunteer support or broad-based fundraising, and which exhibit the following characteristics:

- Active board leadership and community involvement;
- A comprehensive strategic plan for resource development, funds acquisition and development, and resource-sharing with other non-profit groups; and
- Efficient and effective administration of programs and funding.

Grant requests will be actively solicited through various media and through word-of-mouth, and will be considered either upon receipt or on a quarterly basis, depending on the amount requested. Grant requests must be in writing, and should include the following information:

- A brief description of the organization;
- The service area and beneficiaries of the organization's charitable efforts;
- A copy of the organization's Internal Revenue Service determination letter as to status under Internal Revenue Code Section 501(c)(3) and non-private foundation status under Section 509(a);
- A brief statement of the need to be addressed;
- The specific purpose and amount of the request, and an itemized budget for the project; and
- Criteria for evaluating the results of the project.

Grants are geographically limited to organizations within the United States, though strong preference will be given to organizations serving the needs of southwestern Pennsylvania. Support generally will not be granted to fraternal organizations; conferences or seminar attendance; specialized health campaigns; or national organizations. No support will be granted for private foundations as defined under Internal Revenue Code Section 509(a); loans or direct grants to individuals; or political campaigns, parties, or candidates.
