Return Reference	Explanation
Form 990, Part VI, Section B, line 12c	On an annual basis, the organization requires all members of the Executive Board to sign a conflict of interest statement approved by the organization's legal counsel and independent auditor. Each board member's statement is retained on file for the duration of the year. Each board member shares in the responsibility to identify and report issues or relationships which present a potential conflict and the board as a whole would make the determination if necessary. Since the Executive Board has authority under the organization's bylaws to enter into contracts or agreements or direct the Executive Director to do so, it is felt that requiring an annual conflict of interest statement of them is prudent. By state statute, K S A 46-248 through 46-252, all of the organization's administrative staff who are under employment contracts, must sign written statements of substantial interests, and submit them to the State of Kansas Governmental Ethics Commission. Executive staff do not vote on matters such as entering into contracts, so their compliance is dictated by state law. Board members who identify a conflict of interest on any issue are excused from the board meeting while discussion, deliberation and voting takes place on any issue identified as creating a conflict of interest. The Executive Director and other members of the board jointly carry out the responsibility of identifying potential conflicts and ensuring compliance with the bylaws and statutes.

Form 990, Part VI, Section B, line 15	The establishment of salary and benefits for the Association's Executive Director is reviewed and developed annually by the three executive officers of the Association. The organization's President, Vice-President and Secretary-Treasurer meet in February every year with the Executive Director. At this meeting, salary and benefit data as well as other information gathered by the National Federation of State High School Associations (NFHS) is reviewed. Annually, the NFHS surveys all 51 state association executive directors, to gather data on salary and benefits information as well as other financial and operational data common to state associations. The three person executive committee develops a salary recommendation and benefit package for consideration by the full Board at its' annual March meeting. Each year, the entire membership of the Executive Board votes on the annual compensation and benefit package for the organization's Executive Director. That action last occurred in May 2015.
