Return Reference	Explanation
Fin 48 (ASC 470) Footnote	Schedule D, Part X, Line 2 The University is exempt from income tax under Section 501(c)(3) of the Internal Revenue code and a similar provision of state law. The University annually evaluates tax positions taken with regard to unrelated business income, related deductions applied, or other activities that may jeopardize its tax exempt status and thus would meet the definition of an uncertain tax position. The University recognizes the financial statement benefit of a tax position only after determining the relevant taxing authority would more likely than not sustain the position following an audit. The University has concluded that there are no uncertain tax positions taken that would require recognition of a liability or disclosure in the financial statements. The University recognizes interest and penalties on tax assessments as other expenses within the consolidated statement of activities. The University is generally no longer subject to U.S. federal and state income tax examinations by taxing authorities for fiscal years before 2013.
