The Executive Committee shall provide its recommendation of CEO compensation to the ORGANIZATION'S Treasurer in sufficient time for it to be included in the development of the annual budget. It shall also provide its recommendation to the Board prior to the meeting at which the annual budget for the fiscal year is approved. Prior to or during the meeting at which the Budget for the fiscal year is approved, the Board shall make its final determination of the total compensation of the CEO for that particular fiscal year based on all the considerations described in this policy. That determination shall be included in the final budget for that particular fiscal year and in IRS Form 990, audits, and other public documents. The staff salaries are determined by gathering market rates for each position from two or three independent sources. The goal is to have staff salaries be within 80-120% of market depending on experience. Adjustments to market are made annually at the same time that merit increases are evaluated. Each staff member receives an annual evaluation from their supervisor and merit recommendations are made and reconciled to the annual budget for the organization.</p>
