Part IV Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.					

At the beginning of each school year, we receive a budget request from the school's athletic director based on the needs of the program for that year. The budget is broken down by

sport and by season, and serves as the basis for setting our minimum grant goal to the school for that year. Since most of the Boosters' officers, directors and members have student-athletes at the school, we see the tangible use of our grants in the form of new and upgraded equipment, uniforms and facilities.
