Return Reference	Explanation
Part X FIN48 Footnote	The School is a non-profit organization, which is exempt from income taxes under Internal Revenue Code Section 501(c) (3) and is subject to federal and state income tax only on net unrelated business income. Management is not aware of any transactions which would jeopardize their tax-exempt status. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the School and recognize a tax liability (or asset) if the School has taken an uncertain position that more likely than not would not be substantiated upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the School and has concluded that as of June 30, 2016 and 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The School is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for fiscal years prior to 2013. U.S. state jurisdictions have statutes of limitations that generally range from three to five years.
