Schedule H, Part VI, Line 3 Patient education of eligibility for assistance	<p>Education of eligibility for assistance at Saint Thomas Hickman Hospital ("Hickman") begins at registration with signage displayed at all registration points notifying patients that we have a Financial Assistance Program, as well as contact information for the patient to use should they need assistance. Brochures containing this information are also available for patients at all registration points. Hickman registration associates discuss the estimated balance that will be due with both insured and self-pay patients. Should the associate identify that the patient may need assistance with that balance, he/she will provide the patient with a Financial Assistance Application and help them complete it, if needed. All self-pay and underinsured patients are screened by Hickman for alternative coverage including Medicaid, SSI/SSD, Cobra, student coverage, and crime victims' compensation. If no alternative is identified, an associate will work with the patient to complete a Financial Assistance Application. Also, contact information is listed on Hickman billing statements for the patient to use in the event they need assistance with their balances, and collections associates have been trained to offer patients a Financial Assistance Application if needed by the patient. Hickman works with third party collection vendors who are required to follow the hospital's Financial Assistance Policy.</p>
