Form and Line Reference	Explanation
Schedule H, Part I, Line 7 Costing Methodology used to calculate financial assistance	The organization used the cost to charge ratio to compute the cost of financial assistance and community benefits reported in Part I, Line 7

Form and Line Reference	Explanation
Schedule H, Part III, Line 2 Bad debt expense - methodology used to estimate amount	Accounts are typically deemed uncollectible when they are >240 days old, except for Medicare which is >360 days old, and self pay which is considered uncollectible in its entirety. Accounts are discounted to contractually agreed upon rates at the time of billing. Contractual adjustments are not considered bad debt.

Form and Line Reference	Explanation
Schedule H, Part III, Line 4 Bad debt expense - financial statement footnote	The provision for bad debts is based on management's assessment of historical and expected net collections, considering business and economic conditions, trends in federal and state governmental health care coverage, and other collection indicators. Throughout the year, management assesses the adequacy of the allowance for uncollectible accounts based upon these trends. The results of these reviews are then used to make any modification to the provision for bad debts to establish an appropriate allowance for uncollectible accounts. Patient accounts receivable are written off after collection efforts have been followed under the Company's policies.

Schedule H, Part VI, Line 2 Needs assessment	SJMC is planned, managed, organized , and measured approach to a health care organization's participation in meeting identified community health needs It implies collaboration with a "community" to "benefit" its residents , particularly the poor and undeserved groups , by improving health status and quality of life Community Benefits projects and services are identified by health care organizations in response to findings of a community heath assessment, strategic and/or clinical priorities , and partner areas of attention Community benefit categories include financial assistance, community health services, health professions education, research and donations SJMC has a long history of proving community benefits and has quantified those benefits using national guidelines developed by the Catholic Health Association in collaboration with the Voluntary Hospital Association

Form and Line Reference	Explanation
Schedule H, Part VI, Line 3 Patient education of eligibility for assistance	The eligibility for assistance under federal, state or local government programs is determined under the organization,s financial assistance policy This eligibility tries to be obtained upon admission or before discharge If this eligibility can not be obtained during their hospital stay, the patients are billed standard gross charges until their financial status can be determined

Form and Line Reference	Explanation
Schedule H, Part VI, Line 4 Community information	The Jacksonville Metropolitan Community Benefit Partnership was formed by five health care systems (9 non profit hospitals) and four public health departments. This partnership came together and conducted the first ever multi-hospital system and public health sector collaborative community needs assessment February and March of 2012. This Partnerships vision is to improve population health in the region by eliminating the gaps that prevent access to quality, integrated health care and to improve access to resources that support a healthy life style. The Community Health Survey included Clay, Duval, Nassau and northern St. John's county. This Community Health needs assessment is to enable practitioners, managers and policy makers to identify those individuals in greatest need and to ensure that health care resources are used to maximize health improvement.

Form and Line Reference	Explanation
Schedule H, Part VI, Line 5 Promotion of community health	In additions to satisfying regulatory requirements of the federal and state agencies and local funders, the community needs assessment represents an unprecedented effort and key opportunity to bring together hospital data, population health, health- related quality of life indicators and community member input to provide a more detailed and complete profile of community health needs. The long term goal to achieve regional collaboration that will serve as an opportunity for optimal leverage of resources, setting (and managing) regional health priorities, and developing regional collective impact strategies among all health-related stakeholders.
