Form 990, Part III, Line 4a PROGRAM SERVICE ACCOMPLISHMENTS (CONTINUED)	<p>Mary Ellen Locher Breast Center The Foundation assists the hospital in obtaining grants to fund breast services and education to underserved women In 2015, the Chattanooga affiliate of the Susan G Komen Breast Cancer Foundation, Inc awarded a grant to provide underserved women with access to mammograms Additional funding from Pfizer was also provided to fund screening mammograms for underinsured and underserved women A mobile mammography coach was purchased through funding from the Tennessee Women's Health Initiative and donations from SunTrust and Chattem Inc This has enabled us to reach women in outlying communities since March of 2005 Since that time, almost 50,000 mammograms have been given on the mobile mammography coach, many of which have been funded through the Komen grant and the TN Breast and Cervical Care Program In 2009, upgrades to our mobile coach were also funded through Foundation donations This program has been so successful, the Foundation raised \$725,000 in FY 2011 to fund a second mobile coach since the original coach could not meet all the demand for its services The second coach also offers digital mammography and expands services to include clinical breast and pelvic exams In FY 12, the Hurlburt Foundation provided their first grant of \$35,000 to assist with funding pap smears and mammograms for underserved women on the mobile coach After demonstrating how we were able to use those funds to serve underserved women, they have granted two additional grants for \$50,000, \$60,000, and \$100,000 in FY 14,15 and 16 respectively In FY 16 of the 4,141 women participating in the outreach breast cancer screening programs, 216 received abnormal mammogram results and 9 of these women were diagnosed with breast cancer All women are provided breast screening services regardless of their ability to pay through Memorial Health Care System The grants we discussed above only cover a portion of the costs incurred by the hospital to provide breast related services The rest of the cost is covered through hospital funds as a community benefit The Foundation's support of the hospital allows the hospital to provide more community benefit programs than they would otherwise be able to provide Once diagnosed with cancer and in treatment we continue offering support to our uninsured and underserved women by providing newly diagnosed patients education and navigation through treatment, mastectomy products and accessories to look your best when experiencing the side effects of treatment with hair loss at no cost Hand-made hats and heart shaped pillows are donated from community organizations and ladies groups We accept gently used wigs and mastectomy products, clean them and offer them to ladies who otherwise don't have access Cancer Resource Center Memorial Hospital has developed a program to help cancer patients and their families cope, offering them the latest information about cancer care Whether you have just been diagnosed or have a family member with cancer, the oncology professionals at the Cancer Resource Center can answer your questions or help you understand your options regardless of where you go for treatment You can learn about nutrition during treatment, financial resources, screening opportunities, the most current clinical trials, and support groups and seminars offered to patients, family, and friends The Cancer Resource Center also offers professionally led support groups, and We Care Week-end, a family retreat for cancer survivors None of the services are billed to the patient and few qualify for insurance reimbursement In FY 2016 the cost of this program was \$710 thousand Donations for Cancer Resource Center have help offset these costs In FY 10, a complimentary weekly program for recently diagnosed cancer patients began Living Well with Cancer is an introduction and tour of support and treatment services available to MHCS patients Logistics, such as parking, appropriate entrance for services, food service, and location of the chapel and out patient pharmacy are addressed Each participant determines their stress level and then meets a social worker to discuss stress They also meet oncology nutritionists, nurse educators and the oncology chaplain Patients participate in a stress management exercise, and are encouraged by long term MHCS auxiliary volunteers, who are cancer survivors We Care Weekend, an annual retreat for recently diagnosed patients and families, is promoted and a save the date card is given to the patients Patients and their support partners learn how Memorial's Cancer Institute offers complimentary, holistic health services to Live Well with Cancer Indigent Care for Cancer Patients The Foundation secured funds from the Orion & Emma B Hurlbut Fund to assist patients overcome barriers to receiving recommended cancer care including assistance with transportation, housing and utility expenses, funding of screenings and diagnostic testing for patient unable to pay The first indigent grant was received in 2015 for \$15,000 After the Hurlbut Foundation was comfortable that their donation would be used to assist the indigent, they provided \$25,000 in 2016 This funding has assisted with the many patient needs with a few being detailed below Nutrition formula for a Head & Neck cancer patient with a feeding tube, electric bills, rent assistance, transportation, and lymphedema sleeves for a breast cancer patient A mother who drives a large van 140 miles round trip to receive radiation therapy, requiring \$50.00 worth of gas every two days She is on TennCare and home schools six of her eight children One of the Cancer Services Clinical Social Workers requested gas cards to assist the family A total of \$650.00 worth of gas cards were provided throughout this patient's radiation treatments A gentleman needed oral surgery for extractions in order to receive chemotherapy He was employed as a dishwasher, and did not have dental insurance CHI Memorial staff coordinated the care for an oral surgeon to perform the dental extraction with a large discount and a local facility to provide dentures at a reduced price with the balance of these expenses being covered through the grant This fund has assisted many cancer patients to Live Well with Cancer, reducing the financial burden of a cancer diagnosis Capital Projects Funding Through FY 13 and FY 14 the Foundation has raised \$15 million to fund master facility plan projects These projects would have not been possible at the same level they have been designed without the additional funding from the Foundation The Buz Standefer Lung Center, Davenport Infusion Center, Guerry Heart and Vacular Center and new Chapel all were made possible with generous community support The Foundation disbursed nine million dollars of the funds raised for these purposes in FY 16 Contributions Memorial Health Care System Foundation helps support all the programs highlighted above from donations they receive Memorial Hospital is more able to fund research and education, capital expansion, new equipment and renovation, indigent care, and operating cost for programs that would otherwise not be possible based on the support it receives from the Foundation The value of this community support is returned to the community through lower costs in patient care programs and community services described throughout this document</p>

Form 990, Part VI, Line 12c Conflict of interest policy	<p>Catholic Health Initiatives ("CHI") has a Conflicts of Interest ("COI") policy in place to maintain the integrity of all of its activities. The policy applies to CHI Board of Stewardship Trustees and members of its committees, all board and board committee members of CHI Entities, all CHI employees, all CHI physicians (both employed and non-employed) and all physician administrators and leaders, advanced practice clinicians (both employed and non-employed), and all CHI research personnel (both employed and non-employed). Disclosure, review and management of perceived, potential or actual conflicts of interest are accomplished through a defined COI disclosure process. Each person has a general ongoing obligation to promptly and fully report to his/her direct manager, supervisor, medical staff office, board or board committee chair any situation or circumstance that may create a conflict of interest. The person must report the actual or potential conflict as soon as she/he becomes aware of it. In any situation where the person may be in doubt, a full disclosure should be made to permit an impartial and objective determination. In addition to the general ongoing obligation, there are initial disclosure obligations. The board, board committee members, and new employees are required to make disclosures at the time of their initial hiring/appointment. All non-employed, credentialed or contracted physicians are required to make disclosures at the time of their credentialing and during any subsequent reappointment or recredentialing. All researchers are required to make disclosures upon consideration of affiliation with a research sponsor. In addition to the general ongoing and initial disclosure obligations, there is an annual disclosure obligation. All corporate officers, board and board committee members, employees at the level of manager and above, researchers, supply chain employees, employed physicians, physician administrators and leaders, and employed advanced practice clinicians must complete a new conflict of interest disclosure annually. Disclosures of perceived, potential or actual conflicts involving financial interests are forwarded to the Conflicts of Interest Review Committee ("C-CIRC") or Legal Services Group for review depending on the position of the person involved. The C-CIRC reviews COI questionnaires containing disclosures of perceived or possible conflicts for employees at a level of manager or above, supply chain employees, researchers and physicians, physician administrators and leaders, and advanced practice clinicians (both employed and non-employed). In the determination of a conflict, a COI management plan will be developed for that person. With respect to those audiences for which the C-CIRC has review responsibility, the C-CIRC will facilitate development of any such conflict of interest management plan in collaboration with local CRP staff. A designated CHI Entity staff will be responsible for monitoring the COI management plan and for documenting monitoring activities. At its sole discretion, a CHI Entity may reject a Person's request to enter into the relationship in question, or require the relationship be sufficiently altered to avoid a potential COI. If the C-CIRC determines that there is a potential or actual conflict of interest that does not currently have appropriate controls to address the conflict of interest, it may recommend that the disclosing person be allowed to participate in the activity or transaction subject to restrictions as outlined in the COI management plan. If a Person does not agree with a determination made by the C-CIRC, its interpretation of the Policy or Addenda, or seeks an exemption or exception, the following steps should be followed. The Employee disputing the review decision, interpretation of the Policy, or seeking exemption or exception must present the matter to the Employee's immediate direct manager or supervisor for review and determination. If the Employee and the manager do not agree with the review decision, interpretation of the Policy, or seek exemption or exception, the manager shall consult with the manager's Vice President (or higher if the manager is a Vice President) to reach a determination. If the matter remains unresolved, it shall be referred to the CHI Vice President of Human Resources and the CHI Corporate Responsibility Officer. If they are unable to reach agreement, the matter shall be referred to the CHI General Counsel, whose decision shall be final. Reviews and determinations involving board and board committee members and corporate officers will be the responsibility of the board, board executive committee, or board chair, with guidance from the Legal Services Group (LSG). Annual COI disclosures of all trustee and corporate officers will be reviewed by the CHI Senior Vice President, Legal Services, and General Counsel or his or her designee who will report potential conflicts to the applicable Board Chair. The Board Chair or designee shall make such further investigation of any conflict of interest disclosures as he or she may deem appropriate. If the conflict involves the Board Chair, the Vice Chair will assume the Chair's role. Based on review and evaluation of the relevant facts and circumstances, the Board Chair will make an initial determination as to whether a conflict of interest exists and whether, pursuant to the COI Policy, review and approval or other action by the Board is required. A written record of the Board Chair's determination, including relevant facts and circumstances, will be made. The Board Chair shall then make an appropriate report to the Executive Committee of the Board concerning such review, evaluation and determination. If a difference of opinion exists between the Board Chair and another Trustee as to whether the facts and circumstances of a given situation constitute a conflict of interest or whether Board review and approval or other action is required within the COI Policy, the matter shall be submitted to the Board's Executive Committee, which shall make a final determination as to the matter presented. Such determination, including relevant facts and circumstances, will be reflected in the Executive Committee minutes and will be reported to the Board. When any conflict of interest is considered by the board, the trustee or corporate officer, as appropriate, must disclose all of the material facts to the Board. The trustee shall not vote and the trustee or corporate officer shall not use his or her personal influence on the matter. The trustee or corporate officer shall be excused from the meeting during discussion and vote on the conflict of interest. In reviewing such transactions between CHI or CHI Entities and vendors or other contractors who are, or are affiliated with, Trustees or Corporate Officers, the Board will act as it would in reviewing transactions with unrelated third parties. The transaction is not be approved unless the Board determines that the transaction is fair to CHI or the CHI Entity. The Board must approve the transaction by a majority of the Trustees on the Board, without counting the vote of any individual who has an interest in the transaction. All determinations of conflicts of interest are reported as required by law, regulations, and CHI policy.</p>
