require that uncertain tax positions be evaluated and the potential impact of an

unfavorable outcome of a tax authority's assessment of such uncertain tax position be

reflected in the financial statements. From time to time, management must assess the need

to accrue or disclose a possible loss contingency for proposed adjustments from various

federal and state tax authorities who may audit the organization in the normal course of

business. The Association has evaluated its tax reporting and has not reflected any

contingent liability for any such potential assessment.
