In keeping with Dr. Montessori's ideals, children work in multi-age classrooms with a high level of freedom in choosing their own foundations in language, math, geography, science, music, and other disciplines. During the 2012-2013 school year, the school added a High School on a second campus located in the museum district of Houston which incorporates the principles of Dr. Montessori as well as the International Baccalaureate. In 2016, the museum district campus was expanded with the construction of an additional building.
