Part III Supplemental Information

Provide the information, explanation, or descriptions required for Part I, lines 1a, 1b, 3, 4a, 4b, 4c, 5a, 5b, 6a, 6b, 7, and 8, and for Part II. Also complete this part for any additional information.

Return Reference	Explanation
Part I, Line 1a	Tax indemnification and gross-up payments-The organization provides tax indemnification where an authorized member of management determines there is justification to reimburse an individual for the tax impact on certain taxable, non-cash benefits provided to them. All tax indemnification payments provided are treated as taxable compensation. One person listed in the Form 990, Part VII, Section A, received this benefit during the tax year.
Part I, Line 3	Process for determining compensation. The organization, a controlled affiliate of BSW Holdings, recognizes that those chosen to lead the organization are vital to its ongoing success and growth. Thus, it must attract, retain and engage the highest quality officers and key employees to lead the organization and help the organization maintain its national reputation for achieving high targets for medical quality, patient safety, and patient satisfaction. A significant portion of the organization's officers and key employees' total compensation is based on significant performance achievements. This strategy places a greater emphasis on the importance of the organization achieving targeted improvements in the areas of people, quality, patient satisfaction and financial stewardship, annually. Total executive compensation is part of an integrated talent management strategy developed by the BSW Holdings' Board of Trustees and its Compensation and Governance Committee (C&G Committee) to attract, motivate, and retain the best leadership resources for the organization. Executive compensation is determined pursuant to guidelines outlined in the intermediate sanction rules under IRC Section 4958 including taking steps to meet the rebuttable presumption standard of reasonableness under Treasury Regulation 53.4958-6, as summarized below. When making compensation decisions, the organization compares itself to similar-sized, and structured businesses including other integrated health care service systems and other similar-sized organizations, both locally and nationally. The BSW Holdings' Board of Trustees and C&G Committee, on behalf of the organization, works directly with an independent compensation expert(s) to identify reasonable and competitive market rates as well as provide an annual review of the total compensation of the system's top management officials and key employees. The C&G Committee is made up of members of the BSW Holdings' Board of Trustees, who are independent, community volunteers guided by the information provided by the independent compensation expert(s), the C&G Committee approves and recommends to the BSW Holdings' Board of Trustees salary increases, earned incentives, and/or benefit offerings for the organization's President, other officers and/or key employees to be comparable to similar organizations for similar services and/or positions. Furthermore, the C&G Committee is charged with the responsibility of reviewing annually the major elements of the executive compensation program to assure designs remain consistent with the business needs, market practices, and compensation philosophy. As part of the decision making process, the C&G Committee will often meet in executive session to discuss and review recommendations made by the independent compensation expert(s). During the executive session no officer or key employee whose compensation is being reviewed is present during these discussions. All decisions are contemporaneously documented in the C&G Committee minutes which are timely reviewed and approved by the C&G Committee.
Part I, Line 4b	In order to recruit and retain key talent, BSW Holdings and certain tax exempt affiliates (BSWH) offers a supplemental non-qualified retirement plan to eligible employees. The plan provides an annual benefit (based on a percentage of compensation) to the employee that is paid to the employee on a future date upon vesting in the plan. The following individual(s) participated in and/or received payments (noted in parenthesis) from BSWH's supplemental non-qualified retirement plan during the tax year: Cindy Schamp and Amy Martin. Also, select certain officers, as designated by BSW Holdings' governing body, are eligible to participate in a Long Term Incentive Plan that is designed to recognize the key senior leaders value and contribution to BSWH as well as align their compensation to the long term strategy of BSWH. Performance targets are based upon a percentage of the participant's base salary and are developed by independent third party expert(s) using market competitive data withing the guides of reasonableness. The plan is based on BSWH's three-year performance against its peers, determined based on peer rankings or percentile rankings in quality, patient satisfaction and financial performance. At the end of three years, awards are determined by BSW Holdings' governing body for participants. Payouts are partially made in cash and the remainder vests over an additional two year period. The following individual participated in and/or received payments (noted in parenthesis) from this plan during the tax year: Cindy Schamp (\$151,473).
Part I, Line 7	The organization has adopted and implemented BSW Holdings', the organization's ultimate parent, Annual Incentive Program to provide a market competitive total cash compensation incentive program that is designed to attract and retain key leaders and establish greater individual accountability and alignment to business performance. Payout targets are based upon a percentage of base pay and are developed by independent third party expert(s) using comparable market competitive data within the bounds of reasonableness and that are reviewed and approved by BSW Holdings' governing body. Payout levels are based upon a combination of system, entity, and individual performance using various metrics related to quality, patient satisfaction, employee retention, and financial stewardship. BSW Holdings' governing body may approve modifications to annual incentive awards provided under the program consistent with market comparability data.
Form 990, Schedule J, Part III	Supplemental Information: Governing Body Compensation. The members of the governing body serve on a voluntary basis and receive no cash compensation from the organization for these duties as a member of the governing body. Some, but not all, members may have received modest benefits incident to their service on the board and/or multiple board committees or received compensation as an employee of a related organization. These benefits may include reimbursement for certain reasonable expenses paid on behalf of the member's spouse while accompanying the member on business travel on behalf of the related organization and/or a wellness physical. All such benefits are treated as taxable compensation to the extent required by law and are reported in the Form 990 where applicable.
