Mississippi College and Career Ready Standards and Testing - MSF provided resources and advocacy tools for members of the public to take action and support the implementation of the state standards in Mississippi - MSF organized teachers around the need for high-quality educational standards, created a document that was then submitted to the standards review committee. By taking part in site visits, reviewing implementation documents, and identifying best practices, MSF has created a list of recommendations for MSDH's PREP office. MSF is currently creating teacher/school evaluation processes, and will develop online versions of reporting forms in the coming weeks.
