Schedule H, Part III, Line 4 Bad debt expense - financial statement footnote	<p>Catholic Health Initiatives Colorado (CHIC) does not issue separate company audited financial statements. However, the organization is included in the consolidated financial statements of Catholic Health Initiatives (CHI). The consolidated footnote reads as follows: "The provision for bad debts is based upon management's assessment of historical and expected net collections, taking into consideration historical business and economic conditions, trends in health care coverage, and other collection indicators. Management routinely assesses the adequacy of the allowance for uncollectible accounts based upon historical write-off experience by payor category. The results of these reviews are used to modify, as necessary, the provision for bad debts and to establish appropriate allowances for uncollectible net patient accounts receivable. After satisfaction of amounts due from insurance, CHI follows established guidelines for placing certain balances with collection agencies, subject to the terms of certain restrictions on collection efforts as determined by each facility. The provision for bad debts is presented on the consolidated statements of operations as a deduction from patient services revenues (net of contractual allowances and discounts) since CHI accepts and treats substantially all patients without regard to the ability to pay."</p>

Form and Line Reference	Explanation
Schedule H, Part III, Line 8 Community benefit & methodology for determining medicare costs	Cost for each hospital's cost report is pulled from year end trial balances. The cost is then evaluated and all non-allowable cost is removed via adjustments. The remaining allowable cost is then allocated to appropriate patient care and non-patient care cost centers based on Medicare allocation principles. Catholic Health Initiatives Colorado (CHIC) does not treat Medicare shortfalls as community benefit. CHIC's position is consistent with that of Catholic Health Initiatives (CHI), its Sponsor. Medicare is not a differentiating feature of tax-exempt health care organizations, for-profit hospitals treat and attempt to attract Medicare beneficiaries.

Schedule H, Part III, Line 9b Collection practices for patients eligible for financial assistance	<p>Catholic Health Initiatives Colorado's debt collection policy provides for the performance of a reasonable review of each patient's account prior to turning an account over to a third-party collection agent and prior to instituting any legal action for non-payment. The review of patient accounts is done to assure that the patient or their guarantor is not eligible for assistance through Catholic Health Initiatives Colorado's charity care policy, uninsured discount policy, or another financial assistance program (i.e. Medicaid). Catholic Health Initiatives Colorado requires the following of its third-party collection agencies:</p> <ul style="list-style-type: none">* Neither Catholic Health Initiatives Colorado hospitals or their collection agencies will request bench or arrest warrants as a result of non-payment,* Neither Catholic Health Initiatives Colorado hospitals or their collection agencies will seek liens that would require the sale or foreclosure of a primary residence, and* No Catholic Health Initiatives Colorado collection agency may seek court action without hospital approval.
