Form 990, Part VI, Line 12c - Explanation of Monitoring and Enforcement of Conflicts

Annually after the Fall meeting of the Foundation, the Board of Directors, all officers, and all other Members of the Foundation's standing committees are provided a copy of the WSU Foundation Conflicts of Interest Policy along with a questionnaire and certification statement. The policy is designed to help fiduciaries of the Foundation identify situations that present potential conflicts of interest and to emphasize the importance of adhering to high standards of responsibility, accountability, and public scrutiny. It describes what a conflict of interest is and the process necessary if one is identified. Under the policy, each Board of Director, officer, and standing committee member must file the annual certification statement, at or immediately following the annual meeting of the Foundation. This statement must set forth any conflicts of interest that might be expected to occur within the coming year. The statement shall disclose as fully as possible the nature of the potential conflicts and the nature of the individuals' (or their family members') interest in the potential transactions. All statements that anticipate conflicts of interest are then circulated to the full Board. In the interim, if any Board of Director or committee member or member of his/her family has or is about to assume an interest or other relationship which might result in a conflict of interest, it is the Board of Director's or committee member's responsibility to immediately disclose all material facts to the chair of the Board of Directors or the Chair of the Audit Committee. This conflict of interest process is managed by the internal Foundation Board Relations team which tracks and monitors submission of the annual certification statements and processes instances where a conflict is identified.

If a Responsible Person is aware that the WSU Foundation is about to enter into any transaction or make any decision involving a conflict of interest (a "Conflicting Interest Transaction") such person shall: (i) immediately inform those charged with
