Return Reference	Explanation
Schedule D, Part I, Line 2	Accounting principles generally accepted in the United States of America require the College's management to evaluate tax positions taken by the College and recognize a tax liability (or asset) if the College has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed tax positions taken by the College and has concluded that as of June 30, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The College is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The College's management believes it is no longer subject to income tax examinations for years prior to 2010.

Part XIII **Supplemental Information** *(continued)*

Return Reference	Explanation
Schedule D, Part X, Line 2	The College uses an actuarial method to record certain split-interest arrangements. Under this method, the present value of the payments to beneficiaries is estimated based upon life expectancy tables when the gift is received. The present value of those payments is recorded as a liability and the remainder as temporarily restricted net assets. Periodic adjustments are made between the liability and the net assets to record actuarial gains or losses. The discount rates used by the College in calculating present value of all split-interest agreements range from 1.0% to 10.0% at June 30, 2016.
Schedule D, Part XI, Line 2d	Book to tax adjustments include eliminating accrued contributions receivable, recording rent revenue net of expense and recording fundraising revenue net of expense.
Schedule D, Part XII, Line 2d	- Book to tax adjustments include recording rent revenue net of expense and recording fundraising revenue net of expense, and change in value of split interest agreements moved from other changes to expense.
Schedule D, Part XII, Line 4b	- Book to tax adjustments include recording rent revenue net of expense and recording fundraising revenue net of expense, and change in value of split interest agreements moved from other changes to expense.
