Briefly describe the organization's mission

Low Income Investment Fund ("LIIF") is dedicated to creating pathways of opportunity for low income people and communities. LIIF's overarching mission is poverty alleviation. LIIF achieves this mission by investing capital for healthy communities and families. LIIF builds bridges between private capital markets and places where low income people live. LIIF partners with low income communities, community based organizations, funders, and financial institutions to create a network of support to address the challenges facing low income individuals and families. Since its founding in 1984, LIIF has provided \$1.9 billion in financing and technical assistance for projects benefiting low income communities, leveraging investments of \$9.3 billion. Through these projects, we have served over 1.8 million people and supported - 67,801 units of housing - 258,376 child care spaces, - 80,439 spaces in schools for children, and - 23.9 million square feet of community facilities. LIIF is headquartered

Lending Activities. Because no single approach alone can lift a family out of poverty, LIIF employs a holistic strategy that focuses on five priority programs-housing, child care, education, transit oriented development and health (through access to healthy food and health care clinics). These programs are supported by LIIFs federal policy presence that works to preserve and maintain community capital programs. LIIF uses innovative strategies to attract private capital to areas with underserved communities that would otherwise be out of reach. Since inception, we have provided over \$1.9 billion to projects serving low income families and individuals, and these investments have leveraged nearly \$9.3 billion in other capital investments. LIIFs work supports those most in need of the 1.8 million people served through LIIFs financing and technical assistance nearly 97% have been low income. LIIFs flexible and affordable capital fills a gap for community development organizations that are unable to consistently access loans from traditional financial institutions. LIIF makes direct loans through its revolving loan fund ("RLF") and other loan funds. LIIF also underwrites and packages loans acquired by banks, other intermediaries and conventional lenders through innovative program specific funds to support community development organizations across the nation. LIIF complements its loans with thorough, time-intensive technical assistance ("TA"). LIIF's TA guides organizations through real estate development, helping them develop and sustain their financial stability to ensure prudent planning and management of their financial obligations and ultimately, and enabling these community borrowers to ready their organizations to approach conventional lenders. Affordable housing is the cornerstone of LIIFs work, comprising half of the organization's historical activity. Since its inception, LIIF has invested more than \$925 million to support the development of 67,801 units of affordable housing, which has produced enhanced living conditions and saved low income families more than \$18 billion through reduced housing costs. Availability of affordable housing is vital in creating a foundation for family stability and community revitalization, and it plays a critical role in advancing family well-being-linked, as it is, to employment, wage gains, educational attainment and generally improved health for poor families. Education is a key component in enhancing opportunities for economic mobility and asset growth for low income households. LIIF launched its education program in 1998, and currently focuses in helping charter schools bring quality educational opportunities to underserved, distressed communities. LIIFs education program uses a three-pronged approach to achieve its goals: providing direct financing for schools, leveraging third-party capital for schools, and building the capacity of school developers and the education system. LIIF is one of the largest CDFI charter school financiers in the nation, having invested over \$500 million supporting the development of 80,439 quality charter school spaces for low-income students. LIIFs Transit Oriented Development (TOD) Program invests in projects that place affordable housing and vital community services close to accessible transportation. LIIF manages the \$50 million Bay Area Transit-Oriented Affordable Housing (TOAH) fund, an innovative structured fund that provides developers with flexible, affordable capital to purchase or improve available property near transit lines in the Bay Area.

Other Development Services. Other development services include key initiatives that support high quality early child care and transit-oriented development (TOD). Equitable Transit-Oriented Development (ETOD) - LIIFs ETOD program responds to the need for financing solutions that provide flexible, affordable capital for projects that integrate community development investments with high quality transit systems. Through our ETOD program, LIIF provides technical assistance to other regions looking to employ ETOD strategies and create funds that support ETOD expansion in their cities. LIIF continues to expand ETOD strategies through our \$50 million Bay Area Transit-oriented Housing Fund and is supporting the exploration of new transit-oriented fund in Los Angeles. This year, LIIF is joined partners to host the 2016 Rail~volution conference, a national gathering of transit leaders focused on improving access and opportunities for underserved communities. LIIF also partnered with organizations in the health and environment sectors to launch a national initiative centered on ETOD strategies for low-income communities. Early Childhood Education. In consultation with the Department of Education (DOE), LIIF designed and launched the Deutsche Bank Pre-K Capacity Fund to provide community based child care operators with access to no-cost bridge financing to enable them to secure operating permits, enhance facility quality, and be ready to provide services under a pre-K contract from the DOE. The Fund bridged funding that the City would provide upon pre-K contract registration with the City Comptroller. In FY16 LIIF provided more than \$1M in grants to 6 organizations. Community Progress Makers Fund. LIIF, in partnership with the Citi Foundation, provided technical assistance and focused group trainings to 40 community based organizations in 6 cities across the country through the Community Progress Makers Fund (CPMF). CPMF is a \$20 million, two-year initiative by the Citi Foundation to support high-impact community organizations that are driving economic opportunities in their communities. The organizations are addressing a range of urban challenges in the U.S., from economic development and affordable housing to environmental sustainability and urban infrastructure.

Child Care Program. Quality child care enables parents to work or attend school without worry for their children's well-being. LIIF launched its child care program in 1998, offering loans, grants and technical assistance to support the development of high quality child care slots for low income families. Since the program's inception, LIIF has provided trainings and workshops on the development and financing of child care center facilities and one-on-one technical assistance to providers. In addition, LIIF has offered millions of dollars in loans and planning grants. Its child care goals are accomplished through three primary funds: the award-winning Child Care Facilities Fund, the Los Angeles Emergency Bridge Fund, and the Fund for Children and Communities.
