Return Reference	Explanation
Part X FIN48 Footnote	The School is a not-for-profit organization exempt from taxes under Section 501(c)(3) of the Internal Revenue Code. The School has not engaged in any activities subject to income tax on unrelated business income, therefore, no provision has been made for income taxes. The School's policy is to record income tax related interest and penalties in operating expenses. For the years ended June 30, 2016 and 2015, there was no interest or penalties expense recorded and no accrued interest and penalties. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the School and recognize a tax liability (or asset) if the School has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the School, and has concluded that as of June 30, 2015 and 2014 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The School is subject to routine audits by taxing jurisdictions, however there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations by the IRS prior to 2012 or the FTB prior to 2011.
