WCC's highly-qualified teachers, child development specialists, home educators, and education managers design developmentally appropriate and individualized lessons with a STEM (science, technology, engineering, and math) and literacy focus and engage in regular professional development. (See Sch O) Our programs prioritize family engagement and involve parents in their children's learning and growth through volunteer opportunities, parent counseling, and access to our comprehensive services. Part X, Line 2	The Center is exempt from taxation under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Center in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Center's returns are subject to examination by federal and state taxing authorities, generally for three and four years, respectively, after they are filed.
