	Reaching a Generation USA Inc ("RaG-US") establishes relationships with Christian African ministries and missionaries that provide education, sustenance, and health care services to at-risk children and orphans in Africa. Working through these relationships, RaG-US provided a variety of practical supports for care-givers and the children under their care. RaG-US provided direct financial support for the care of needy children to address their immediate and long-term needs through funding to Southern African organizations. RaG-US provides logistics and training to volunteers who traveled to Africa to provide life-skill seminars for southern African school teachers, provide relief work for orphans and to provide logistics and other supports for the work among children. RaG-US raised awareness in the United States regarding the needy condition of African children by leading teams of volunteers to visit African children, construct feeding stations, teach orphans basic hygiene and to minister to emotional, physical and medical conditions. Over the course of 2016, examples of our supported organizations activities include: (1) Establishment of 244 active chaplains in 88 public schools throughout South Africa. (2) Digging of more than 25 water wells in bush communities in the Sioma District of Zambia. (3) Partnerships with other NGOs to provide medical and dental treatment and medications for more than 1,700 villagers in western Zambia. (4) Started feeding programs to provide weekday meals for 2,055 students in small public schools in rural villages in Zambia. (5) Expanded Centreshot programs to teach character development to more than 4,000 students in 96 schools across eight provinces in South Africa. Began the program in Namibia, Botswana and Zimbabwe. (6) Through a network of support centers, provided counseling and practical help for almost 150,000 clients in crisis pregnancies. (7) The Bulembu sustainable community in Swaziland provided housing, medical services, education, and job training for 500 orphans due to HIV-AIDS.
