Return Reference	Explanation
Part X, Line 2	The Association is exempt from federal and state income taxes under Section 501(c) (6) of the Internal Revenue Code. Revenue derived from sources not directly related to its exempt purpose, referred to as "unrelated business income," such as that derived from advertising, may be taxable. The Association has implemented the accounting guidance for uncertainty in income taxes. Under that guidance, tax positions need to be recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities. As of August 31, 2016, the Association has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Association files federal form 990. Returns filed for the tax years ended on or after August 31, 2013 are subject to examination. The Association is not currently being examined and management believes its tax-exempt status would be upheld under examination.
