The Climate and Clean Energy program works to limit the magnitude and impacts of climate change and to accelerate the U.S. transformation to a sustainable clean energy economy. By combining rigorous scientific and technical analysis with advocacy and outreach efforts, the program works to reduce global warming emissions, prevent the worst consequences of climate change from occurring, and help prepare communities for the unavoidable climate impacts that have already been set in motion.

The Food and Environment program seeks to transform the U.S. food system in a healthier, more sustainable direction. We advocate for policy changes that will encourage American farmers to grow a wide range of healthy foods that will be available and affordable for all, instead of the commodity crops used in processed foods that are making Americans sick. Our policy recommendations will also help farmers abandon environmentally destructive industrial methods in favor of modern, science-based agroecological practices.

Form 990, Part VI, Section B, line 11	The completed 990 is reviewed and discussed by the Audit Committee of the Board prior to filing
Form 990, Part VI, Section B, line 12c	Affected persons (staff and Board) complete and submit the conflict of interest statement on an annual basis at the beginning of each fiscal year. This does not obviate the need to disclose potential conflicts that may arise in the interim. All forms are reviewed by the Director of Finance and Administration. Any potential conflicts are reviewed by the UCS President who determines whether a conflict exists and is material. If a matter is material, the President will bring it to the attention of the Board Chair. If the UCS President has the conflict, he or she would disclose the matter to the Board Chair directly. Disclosure involving Board members is made to the Board Chair (or if the conflict involves the Board Chair, to the Board Treasurer) who brings these matters, if material, to the Board. The Board determines whether a conflict exists and is material, and in the presence of an existing material conflict, whether the contemplated transaction may be authorized as just, fair, and reasonable to UCS.
