Return Reference	Explanation
FIN 48 Disclosure	Teach for all follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This standard provides that the tax effects from an uncertain tax position can be recognized in the financial statements only if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The standard also provides guidance on measurement, classification, interest and penalties, and disclosure, and its adoption had no material impact on the accompanying financial statements. The tax years ended 2013, 2014, 2015 and 2016 are still open to audit for both federal and state purposes. Teach for all has processes presently in place to ensure the maintenance of its tax-exempt status, identify and report unrelated income, determine its filing and tax obligations in jurisdictions for which it has nexus, and identify and evaluate other matters that may be considered tax positions.
