During the twelve months ending September 30, 2016 the hospital provided 44,057 inpatient care days, 216,725 hours of observation care, 14,425 surgical cases, 24,756 physical therapy procedures, 70,479 emergency visits, 759 deliveries, 32,941 chemotherapy treatments, 12,354 radiation treatments, 12,546 wound care visits, 1,301 cardiac catheterizations and 205,621 imaging procedures. Our commitment is truly to our community - as an employer, as a corporate citizen and as a community resource and as a healthcare provider. To that end, the hospital, its physicians, staff and volunteers extend themselves well beyond patient care. We provide community clinical support services, wellness education, programs, support groups, financial support to local organizations, and our own personal time to ensure the highest quality of life for everyone within our community. We call it Giving Back. Part of our mission extends to wellness education and health prevention. We speak out in our community, we sponsor support groups, we provide dozens of wellness programs and we provide monthly opportunities for free and/or low cost health screenings. The Hospital supports partnerships, community health coalitions, area chambers of commerce, local not-for-profit organizations, local schools and governments. Additionally, many of our staff members, physicians and volunteers donate their time to serve on local boards, committees, and associations. We provide opportunities for local students to train within our hospital under various educational programs and agreements with area school systems. This serves both the students and the community as it often increases our supply of local health care workers.
