Return Reference	Explanation
Part X, Line 2	Income Taxes ICMC is exempt from income taxes under Section 501(c)(6) of the United States Internal Revenue Code. As such, ICMC is required to file Federal Form 990 - Return of Organization Exempt from Income Tax and a corresponding state return, which are informational returns only. These informational returns are generally open to examination by the relevant taxing authorities for a period of three years from the later of the date the return was filed or its due date (including approved extensions). Management is required to evaluate tax positions taken by ICMC and recognize a tax liability if ICMC has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has analyzed the tax positions taken by ICMC, and has concluded that as of September 30, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements. ICMC is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.
