Form 990, Part VI, Section B, line 15	All the physicians (top management, officers, and highly compensated individuals) fall under compensation guidelines determined by Harvard University, with limitations established for certain positions/ranks within the medical school. Annually, compensation is reviewed and reported to Boston Children's Hospital's (the Hospital's) Board of Trustees to ensure total direct and indirect compensation does not exceed the pre-determined guidelines of Harvard University. Any new indirect benefit plan requires approval by Children's Hospital Pediatric Associates, Inc.'s (the Foundation's) Board of Directors, which then must be reviewed and permitted by the Hospital. Major aspects of the approval process involve comparing compensation data of physicians within the comparable field of medicine, indirect compensation currently being offered, and the financial stability of the Foundation. This process was followed for the year ended September 30, 2016.
