4a	(Code) (Expenses \$ 11,313,438 including grants of \$) (Revenue \$ 2,895,557)
Community Development Water Mission takes a comprehensive approach to combating the global water crisis by providing safe water, sanitation and hygiene (WASH) solutions for entire communities in need. Water Mission is the micro-municipal provider for communities that do not have access to safe water and adequate sanitation. In order for WASH projects to have lasting benefits, services must be accessible to all, safe to use, and sustainable in the way they are managed. Water Mission's holistic approach to community development builds on local resources and relationships to create lasting solutions. (Continued under "Community Development" in Schedule O) Community Development, continued Water Mission has more than 200 indigenous water, sanitation and hygiene professionals who live and work in communities we serve to implement projects. To date, the organization has implemented over 2,400 safe water project that have impacted 3.2 million people. In addition, we installed nearly 21,000 Healthy Latrines (pour flush toilets and impacted) Impact Research Water Mission takes an innovative approach to conducting research on the effectiveness of WASH interventions. This research includes routine monitoring of field activities, remote monitoring of water supply systems, evaluation of project performance data, and focused impact studies. Water Mission researchers carefully analyze how implemented WASH solutions are alleviating poverty and contributing to the overall well-being of the communities impacted. This allows the organization to adapt the approach taken based on discovered successes and failures.	
4b	(Code) (Expenses \$ 515,133 including grants of \$) (Revenue \$ 230,494)
Disaster Response The patented Living Water Treatment System (LWTS) is a miniature water treatment plant that uses rapid sand filtration and chemical disinfection for the production of safe drinking water at a rate of 10 gallons per minute. It is designed for rapid deployment in the aftermath of a disaster and has minimal supply chain requirements. Using the LWTS and other relevant technology, Water Mission has provided over 1.1 million people with access to safe water following a disaster or emergency situation. Water Mission has provided relief following some of the world's most devastating disasters in recent history including in Liberia (Ebola relief), the Philippines, Haiti, China, Malawi, Tanzania, and South Sudan. (Continued under "Disaster Response" in Schedule O) Disaster Response, continued We also provided relief in the U.S. following Hurricane Katrina and record flooding in Columbia, SC.	
4c	(Code) (Expenses \$ 189,621 including grants of \$) (Revenue \$ 27,664)
Engineering Innovation Water Mission designs and applies the latest innovative technologies in implementing safe water and sanitation projects. Water Mission engineers design customized solutions to fit the unique circumstances of each community served. As a leader in installing solar pumping solutions, we have installed over 1,000 systems using more than 1,000,000 watts of solar power to ensure the sustainability of safe water projects. Water Mission currently has a team of engineers working both at the international headquarters and abroad. These engineers are continually performing research and conducting product and process testing to refine how projects are implemented in the field. (Continued under "Engineering Innovation" in Schedule O) Engineering Innovation, continued This research has resulted in four patents granted to Water Mission on various equipment used to provide sustainable safe water and sanitation solutions.

Advocacy One of the primary goals of Water Mission is to educate the public about the global water crisis. This is accomplished by organizing Walks for Water, participating in community events, writing and publishing blogs, and creating educational programs that provide a call to action for sustainable solutions. In 2016, 25 walks were held around the world to raise awareness about the global water crisis including nearly 6,600 people joining in our walks, an increase of 14 percent total participation compared to 2015.

Return Reference	Explanation
Part X, Line 2	The consolidated financial statement effects of a tax position taken or expected to be taken are recognized in the consolidated financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. Interest and penalties, if any, are included in expenses in the consolidated statements of activities. As of September 30, 2016, Water Mission had no uncertain tax positions that qualify for recognition or disclosure in the consolidated financial statements. Water Mission files information tax returns in the U S and various states. Water Mission is generally no longer subject to U S federal and state income tax examinations by tax authorities for years before 2013.

Return Reference	Explanation
Form 990, Part VI, Section B, line 11	Form 990 is prepared by an independent CPA firm and reviewed in detail by the top financial officials and top management officials of the organization. The reviewed Form 990 is then forwarded to the organization's audit committee and forwarded to all board members prior to filing.

Return Reference	Explanation
Form 990, Part VI, Section B, line 12c	Conflict of interest disclosure statements are completed annually in September by Water Mission's representatives, including but not restricted to, officers and board members who represent the ministry. The Treasurer is responsible for ensuring that all forms are completed, and the finance and audit committee review the completed disclosure statements as part of their scheduled monitoring process. If a matter related to a potential conflict were to arise at a board meeting, the interested person would abstain from voting on matters related to the noted conflict.

Return Reference	Explanation
Form 990, Part VI, Section B, line 15	The compensation for the President is set by a committee that excludes all people with whom the President has family or business relationships. The committee uses benchmark data from other non-profits and local for-profit companies. The approved compensation package is documented via personnel records and the annual budgeting process. The President sets officer compensation by using comparative data from other not-for-profit organizations. This is documented via personnel records and the annual budgeting process.

Return Reference	Explanation
Form 990, Part VI, Section C, line 19	The organization provides governing documents, conflict of interest policy, and financial statements to the public either on its website or upon request
