Part IV **Supplemental Information.** Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Return Reference	Explanation
Part I, Line 2	Organizations and agents which wish to receive grant funds and produce from the organization must complete an agency application. This application details their programs, the individuals they assist, and the area in which they operate. This information is updated as needed, and contact is maintained throughout the growing season.
Schedule I, Part III	Direct Clients are individuals who are given perishable and non-perishable food from food banks. The number of recipients assisted is an estimated number based on each recipient receiving 12 lbs of fresh produce. Neighborhood Agents are individuals who distribute perishable and non-perishable food to clients who are unable to come in to food banks. The number of recipients is an estimated number based on each recipient receiving 12 lbs of fresh produce. Animal Assistance - Unmarketable, yet still nutritious produce is distributed to agents who in turn provide this food to needy and hungry animals. The number of individuals listed for the purposes of this schedule is the number of actual agents who received produce, as it would be overly cumbersome to attempt to estimate the actual number of animals assisted by these distributions.
