Recuperative Care Unit The recuperative care unit ("RCU") program addresses the critical need of housing supportive services for homeless individuals requiring post-hospital medical attention. The RCU offers up to more than 30 patients a safe and supportive environment, meals, oversight of medical treatment, and follow-up care with a typical stay of 1-14 days depending on their needs. The program is partially supported by revenue generated from agreements with hospitals to provide post-hospital recuperative care for specific individuals. The program also helps patients establish eligibility for public benefits and works to secure them long-term housing.
