Form 990, Part VI, Section B, line 12c	It is the policy of Catholic Charities of the Archdiocese of Dubuque to insist on the best efforts to avoid any conflict of interest and to exhibit undivided loyalty of those employed by it or who serve it in a voluntary capacity on its committees and boards. This policy applies to Catholic Charities staff and to individuals serving in the capacity of Committee Chairs, Members, and Board Members. These individuals are required to disclose annually any possible conflicts. A transaction in which an individual of a corporation has a conflict of interest may be approved if the material facts of the transaction and the person's interest were disclosed or known to the board of directors, council, or a committee of the board and the board or committee of the board authorized, approved, or ratified the transaction. A conflict of interest transaction is authorized, approved, or ratified if it receives the affirmative vote of a majority of the members on the board or on a committee of the board who have no direct or indirect interest in the transaction, but a transaction is not authorized, approved, or ratified under this section by a single member. If a majority of the members on the board who have no direct or indirect interest in the transaction vote to authorize, approve, or ratify the transaction, a quorum is present for the purpose of taking action under this section. The Executive Director reviews the conflict of interest policies. Any individual having a conflict of interest on any matter must abstain from voting on the matter and is not counted in determining the quorum for the vote on the matter. The minutes of the meeting reflect the disclosure made, the abstention from voting, and the quorum situation.
