UCAP currently has no unrelated business income. Accordingly, no provision for income taxes has been recorded. UCAP has adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return only when it is determined that the income tax position will more-likely-than-not be sustained upon examinations by taxing authorities. UCAP has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The UCAP believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the organization's financial condition, results of operations, or cash flows. Accordingly, UCAP has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at October 31, 2016. Federal and state income tax statutes dictate that tax returns filed in any of the previous three reporting periods remain open to examination. Currently, UCAP has no open examinations with the Internal Revenue Service or the Oklahoma Tax Commission.
