1 Its Time Network (the Project) is building the first national cross-sector network where individuals and organizations can join together in the spirit of collaborative leadership and collective impact to accelerate progress for women and girls. Through the Network City Program, individuals and organizations in the network will activate and engage their communities to work on projects that will protect and advance the rights of women and girls in their cities and beyond. During 2015, Its Time Networks researched, wrote and published the Mayors Guide: Accelerating Gender Equality, the first comprehensive guide for accelerating gender equality at the local level. The guide provides mayors with a toolkit of readily accessible resources, model programs, and checklists for supporting the advancement of women and girls in their communities. The Mayors Guide emerged from a dynamic roundtable of mayors, activists and women leaders on the eve of the annual U.S. Conference of Mayors in June 2015.	1,082,649
