Part X, Line 2	The Alliance Foundation Trials, LLC and Mastering Breast Cancer, LLC are considered disregarded entities for tax reporting purposes. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Foundation and recognize a tax liability if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. Management has analyzed the tax positions taken by the Organization and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the consolidated financial statements.
