X 2	Uncertain Tax Positions - The accounting standards on accounting for uncertainty in income taxes address the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Examples of tax positions include the tax-exempt status of the Organization and various positions related to the potential sources of unrelated business taxable income UBIT. Management has considered its tax positions and believes that all of the positions taken in its exempt organization tax returns are more likely than not to be sustained upon examination. As of December 31, 2016, AFHI believes it does not have any taxable unrelated business income. AFHI is subject to examination by the Internal Revenue Service and the State of California subsequent to years after 2013.
