| Part X    FIN48 Footnote | GAAP provides accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the association in its federal and state exempt tax returns are more likely than not to be sustained upon examination. Generally, the Foundations's federal returns for the years ended December 31, 2013 and thereafter and the Foundation's California returns for the years ended December 31, 2012 and thereafter remain open to examination by the respective taxing authorities. |
