Cash and Sweep Balances

Sweep Balances - You have the right, in the course of normal business operations, to withdraw balances in the Bank Deposit Sweep or redeem shares of the money market mutual fund used in the sweep, subject to any open commitments in any of your accounts and have the proceeds returned to your accounts or remitted to you. Note, however, that as required by federal banking regulations, the banks in the Bank Deposit Sweep reserve the right to require seven days prior notice before permitting a transfer out of the Bank Deposit Sweep. In addition, the money market mutual funds in the sweep reserve the right to require one or more days prior notice before permitting withdrawals.

Bank Deposit Sweep - Consists of monies held at Wells Fargo Bank, N.A. and (if amounts exceed \$250,000) at one or more other Wells Fargo affiliated banks. These assets are not covered by SIPC, but are instead eligible for FDIC insurance of up to \$250,000 per depositor, per institution, in accordance with FDIC rules. For additional information on the Bank Deposit Sweep for your account, please contact Your Financial Advisor.

Staying on Track in 2017

As we begin 2017, take a moment to look at where you've been and where you're headed, especially with your financial goals. Whether you're recently retired, nearing retirement or still working toward retirement, the new year offers a great opportunity to get on track, if necessary, and then stay on track. Your financial advisor can help you develop a written strategy, tailored for you, that shows if you're on track to reach your financial goals. Give him or her a call.

The estimate is known as the Estimated Annual Income or EAI. It is based on past interest and dividend payments made by the securities held in your account. It is also based on statements made by the issuers of those securities. The estimates project possible future interest and dividend payments based on the number of bonds or shares held in your account at the time the estimate was done. Your actual investment income may be higher or lower than the estimated amounts. Estimates for certain types of securities that have a return of principal or capital gain may be overstated. Income being reinvested is indicated with '*'. Income cannot be estimated for the securities indicated by '**'. It cannot be estimated because the annual payment amount or frequency is not available at this time.

Estimated Yield

The Estimated Yield (EY) in the preceding sections(s) compares the anticipated earnings on your investments in the coming year to the current price of the investments. It is based on past interest and dividend payments made by the securities held in your account. Changes in the price of a security over time or in the amount of the investment held in your account will cause the EY to vary. The EY is only an estimate and cannot be guaranteed by Edward Jones or the issuers of the securities. Your actual yield may be higher or lower than the estimated amounts. Estimates for any securities that have a return of principal or capital gain may be overstated. Income cannot be estimated for any securities that do not have an annual payment amount or frequency available at the time of estimation. Yield to Maturity is typically reported for Zero Coupon Bonds as these securities do not have an annual payment.
