Name: BLAZEMAN FOUNDATION FOR ALS

Form 990 (2016)

Form 990, Part III, Line 4a:

During 2016, the BMF continued to fund Brandeis University as part of a 5 year Post Doctoral position in ALS research. BMF is waiting on results from prior research at Wake Forest University and will move forward with the next phase of research funding pending results. Finally, BMF maintains an ongoing ALS tissue acquisition research program at the University of MD Brain and Tissue Bank. During the year, BMF continued to raise funds to secure the means to support these 3 projects. In addition, the BMF continued its support of the ALS community via contributions to organizations whose mission is the advancement and betterment of those effected by ALS.

Form 990, Part III, Line 4b:

The foundation has both created and enhanced awareness for ALS. Through its athletic connections, representatives of the foundation have established a presence at many triathlons, road races and other athletic events. These events are across the country and the foundation has the support of the race directors and the organizations producing the events. By participating in the both the events and the expositions surrounding the events, the foundation has effectively communicated to the public the plight of those effected with this terrible disease and the urgent need to find its cure.

Form 990, Part III, Line 4c:

The Foundation has created a national outreach program by developing a team of foundation supporters and "Team Blazeman" who are committed to the mission of awareness and research. We support our outreach via a detailed website that offers communication of programs and findings of experts in the field. We have created a detailed email list and circulate a newsletter in a tremendous grass roots effort to keep our message in the forefront of the public's minds.
