990 Schedule A, Supplemental Information

Return Reference	Explanation
PART II, SECTION C, LINE 17A	In prior years, the organization noted that due to a generous endowment from a private foundation, public support had decreased to just about 10% of total receipts. The organization took the opportunity to focus on attracting additional public support. The board of directors continually seek donations from community members, and over the past several years, the public support percentage has risen back to over 22%, increasing significantly each year. The organization anticipates that this trend will continue into subsequent years.
