Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Corporation is exempt from the payment of taxes on income other than net unrelated business income under Section 501(c)(3) of the Internal Revenue Code. The provisions included in accounting principles generally accepted in the United States of America provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition of tax positions taken or expected to be taken in a tax return. The Corporation performed an evaluation of uncertain tax positions as of December 31, 2016, and determined that there were no matters that would require recognition in the financial statements or which may have any effect on its tax-exempt status. As of December 31, 2016, the statute of limitations for fiscal years 2013 through 2016 remains open with the U.S. Federal jurisdiction or the various states and local jurisdictions in which the Corporation files tax returns.
