Publicly traded assets are valued in accordance with market quotations or valuation methodologies from financial industry services believed by us to be reliable. Assets that are not publicly traded may be reflected at values from other external sources. Assets for which a current value is not available may be reflected at a previous value or as not valued, at par value, or at a nominal value. Values shown do not necessarily reflect prices at which assets could be bought or sold. Values are updated based on internal policy and may be updated less frequently than statement generation. For additional information, please contact your U.S. Bank representative.

Cost adjustments made to previously reported sales to reflect the impact of IRS wash sale rules may result in adjustments to reported year-to-date losses. Consequently, this period's beginning cost basis may differ from the basis reported in the prior period. The gain and loss figures reported on this statement are provided for informational purposes only and should not be used for tax reporting purposes. Please consult with your tax or legal advisor for questions concerning your personal tax or financial situation.

California state law requires us to inform you that you may file a petition pursuant to probate code section 17200 to obtain court review of this accounting and the trustee's acts, if you believe it is necessary to do so.

You should also be aware that claims against the trustee for breach of trust may not be made after the expiration of three years from the date you receive an accounting or other report which discloses facts giving rise to a breach of trust claim.
