Industry specific benchmark data based on an annual survey by an independent agency is used for comparability. The Chairman of the Board meets with the CEO to discuss the results of the Performance Reviews and to outline any compensation changes.

Part I, Line 7 The governing body of Rainbow Hospice Care annually authorizes a bonus pool that accrues at 2% of total wages paid during the year. The release of payments from the pool at the end of the year is at the board's discretion, based on multiple factors such as current market conditions, employment trends in the area, the organization's financial health, and input from Executive Leadership. In almost all preceding years the full amount of the bonus pool was released regardless of current year revenues, net earnings, or net loss by the organization. Individual employee bonus amounts are determined by management based upon predetermined quantitative and qualitative measurements. The CEO's annual bonus is determined by the Personnel Committee's review of overall CEO compensation described above.
