Part IV Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Return Reference	Explanation
Part I, Line 2	The Officers of the Organization will either approve or deny a fully completed application within one week of receiving the application, except in the case of an "emergency." An "emergency" is a situation that requires payment to a third party before the next regularly scheduled meeting of the Officers. Incomplete applications will not be considered until such application is completed. A majority of the Officers must be present either in person or via phone for a vote to be held on an application. A majority vote of the Officers who cast votes is required to approve of all applications. Voting may be held either in person or via telephone. For "emergency" applications, Officers will receive an email and a phone call notifying each Officer of the time and place for a phone call to discuss the emergency application. For record keeping purposes and reporting, the Fund will keep a tally of all completed applications received and group the applications depending upon the reason for the request. The Fund will tally the total number of applications received, approved and denied as well as the total grants made by the Fund and report the findings. All payments are made directly to third parties. No payments are made directly to the individual receiving the assistance. Payments of approved applications are made in accordance with the Organization's Policies.
