Part III, line 28 (continued) The Aletheia Banjara School (ABS):

Unlike in the past, the academic year 2016-17 commenced in March instead of June, the Telangana State Secondary Education Board has been making efforts to synchronize the academic time-table as well as the syllabus and teaching methodology with that of Central Board of Secondary Education (CBSE), which is under the federal government. In fact, the state governments are trying to follow the CBSE pattern of education to achieve uniformity in secondary education across the country.

After a stint of academic activities from 21 March to 23 April 2016, the School went on a summer vacation from 24 April to 12 June 2016, and reopened on 13 June 2016.

Aletheia is unique in many ways. It not only teaches academic education but also imparts spiritual knowledge to the students. It was very sad that many students, who have been receiving quality education and have been growing in the Word and faith, had to leave the School; more so, because of the lost opportunity of hearing the Word. If only the School had enough boarding facility for these students too, we could have avoided this situation. But we believe that the Almighty God, who is sovereign and capable, will take care of their souls. We hope and pray that the time spent by these students, some up to six years, and the spiritual exposure they received while in school will remain with them. It is encouraging that some of the students, who meet our teachers at various inter-school functions, express their strong desire to rejoin the School. These students are indeed in our prayers.

Academic Activities:

In the past, our School was short of well-trained language teachers. This year, however, we have teachers who are language experts in teaching Telugu, Hindi and English. The present day world is very competitive and English language skills and expertise in English communication play a major role. Hence, more emphasis is placed

on this aspect. We also have well trained and experienced teachers who derive pleasure from teaching mathematics, general science, history and social studies. Special care and attention is being given to the students who are behind in their studies. The teachers in these subjects spend a bit of extra time with the students to help them catch up to the others. Special competitions and incentives are offered to encourage the students who are weak in studies.

Extracurricular Activities

Sports and Games:

In many schools in and around the region, physical education takes a backseat. Aletheia gives importance to the overall growth of the student, i.e., educational, physical, spiritual, mental and social. Hitherto, the School did not have a full-time physical education teacher (PET). However, this academic year, a full-time PET has been appointed. School time-table allots time for sports and games so that every student is involved in some kind of activity. We found that students are enthusiastic to participate in sports and games. The School conducts many sports and games. Competitions in sports and games are a regular affair. Some of the senior students are skilled in martial arts. Some were selected to participate in a movie in karate scenes in a movie related to karate and martial arts. This was even published in a local daily newspaper.

Power Drink and Nutritious Lunch:

Malnutrition among the children in India is a major concern. It is estimated that 30 percent of the world's malnourished children live in India. Over 60 percent of Indian children are underweight. India ranks number 62 in the PHI out of a total of 81 countries and is included among the low performing countries in progress towards MDG1 with countries such as Nepal (number 58) and Ethiopia (number 60). The UN estimates that 2.1 million Indian children die before reaching the age of 5 every year; or four children every minute. Statistics indicate that malnutrition among

children in Afghanistan, Cambodia, Madagascar and Yemen is better than in India. Aletheia is concerned about the health of its students. To address the malnutrition problem, Aletheia provides all the students with a balanced and healthy power drink called 'Java' which is made from a variety of cereals and millets. Java is comprised of finger millet, pearl millet, groundnut, wheat, sorghum, green gram, soybean, and jaggery (traditional non-centrifugal cane sugar), which provides the required nutrition.

Along with Java, Aletheia also provides a delicious and nutritious lunch which consists of rice, healthy vegetables, toordal (split pigeon peas, lentils) and a hard-boiled egg. Students enjoy this meal a lot and it may be the only sumptuous meal of the day for them.

The effect of Java and lunch has considerable impact on the health of students, which is evident in the appearance of the students who are healthy, agile and smart. Aletheia again is unique in this aspect, too. Aletheia is the only Christian/private school in the region. Even though other private schools elsewhere in the State collect heavy fees from their students, meals such as these are never provided. It is only Aletheia which caters to the nutritional aspect of its students.

Music, Song and Dance:

The Banjara community is known for its love of music, song and dance. It is natural for every Banjara person, including women and children, to participate in music and dance. All children love to partake in singing, music and dancing. During special occasions, like Independence Day, Republic Day, School Annual Day, Christmas, Teachers' Day, and Children's Day, musical events are conducted. We procured a few musical instruments to encourage the students and even appointed a part-time music teacher to train the students to play the musical instruments. There is a need for a full-time musical teacher to encourage the talented students and to train them in music. Please remember this in your prayers.

Drawing and Painting:

Aletheia boasts of students with vast talent in drawing and painting. These children have time and again demonstrated their drawing talent in making beautiful greeting cards, some of which are sent to our sponsors.

Bal Brigade India (Boys' Brigade):

During the last academic year (2015-16), we introduced a new activity called Bal Brigade India, which is affiliated with Boys' Brigade, an international Christian student organization. Aletheia is proud to be the pioneer in bringing Boys' Brigade to India. The objectives of the Bal Brigade are:

1. To help members to develop and grow in Christian character
2. To train members to become loyal and responsible citizens
3. To promote physical fitness and develop leadership potential

The Bal Brigade activities comprise not only physical training, but also character building classes which equip our students with life skills essential for the successful Christian way of living. While the character building classes make our students morally strong and spiritually faithful to our Lord, the physical activities inculcate self-discipline, self-confidence, concern and a sense of responsibility for society.

Our 10th Class Students:

We are very glad that for the first time our 10th graders will participate in the Board Examinations conducted by the Telangana State Government. Their performance in these examinations, which was held from 14 to 31 March 2017, reflects on the image, reputation and efficiency of the School. It is a testing time for all of us at Aletheia. The teachers are working very hard to train the students so that they score high grades/marks. We request our donors and well-wishers to remember them in your daily prayers for their good performance.

Praise God for Plentiful Water (New Bore-well Drilled):

Our region is drought-prone and water is mostly in short supply. The last four years have been dry with insufficient rains. The two water wells (bore wells) at the School have dried up and only one well was supplying insufficient water for School needs. We even closed the School for short durations due to scarcity of water. We thank the Lord, however, for the generous donor from Fellowship Bible Church, Waco, TX, who extended help to dig another well that yielded copious amounts of water. We are confident that the amount of water will not only suffice for the present needs of the whole school but will also provide for the future as the School grows larger.

Infrastructure:

Aletheia has been steadily growing infrastructure-wise. When the new grades were added, additional rooms were added too. This took considerable time. We are now full-fledged with 13 classes/grades from Pre-Primary to 10th Grade. We thank God for the kind donor from Harvest Church, Memphis, and Lookout Mountain Presbyterian Church, Chattanooga, Tennessee, who helped with the construction of eight classrooms.

Prayer Request:

We are praying for the completion of the eight rooms which still need flooring, doors, windows, electrical fans and lights and paint. These classrooms also need student desks, blackboards, tables for teachers and shelves/cupboards for the students.

We also need to equip our science laboratories. New Continuous and Comprehensive Evaluation (CCE) patterns of education need a good number of experiments to be performed by the students and excellent lab equipment. Information Technology/Computer education is a part of our regular curriculum. A good number of computers is also badly needed.

New Teachers' Quarters:

Thank God for the funds provided by GBBMI through the Watermelon Project operated

by GBBMI President and Board Members. The funds that we received were sufficient to complete almost two quarters for the teachers. The construction work is in progress. We need at least 10 quarters for teachers. Please pray that God provides sufficient funds for other eight quarters.

Part III, line 28 (continued) A Student's Story:

My name is Jyothi Rompe (ID # 2009-212), Studying in 10th Grade at ABS. My parents are very happy about my habits and good behaviour because ABS has taught me all the good habits and how to behave with elders and others for which I am very grateful to ABS. Now I can say I am the proud student of ABS as my friends did not learn good habits and good manners and I am being liked by everyone in my village. My parents and I are happy with my education in this academic year as I did improve a lot when I compare with last year's performance. All the subjects are easy except Social studies and Hindi. I find History in Social studies and reading in Hindi subject are difficult which I need to concentrate more.

I have participated in all the ABS events and activities. Among all I like Annual Day celebrations because we all enjoy the final day of the school with all the Cultural programs that includes dances, skits and songs. Parents, guests and friends also take part in the event.

I have learnt about Noah, Zechariah, Jesus stories and Abraham's story from character building classes. I have learnt that I need to obey and be sincere to all the elders from all these stories and be faithful to Jesus Christ who is real God. I did share these with my parents and sister and asked them to know more about Jesus Christ and learn more biblical stories.

I need to share a touching incident which happened in ABS. We have severe scarcity of water problem and our Principal asked all the students to pray for this problem. All the students have prayed to Jesus Christ and to our surprise God gave us sufficient water. I never forget this day of joy in my life that Jesus Christ has

done miracle for us.

I am always thankful to God for ABS that I got the best English medium school and taught me the best education which I did not learnt from previous Telugu medium school. Though it was tough in initial years but teachers have taken special on me and I have improved a lot.

Part III, line 28 (continued) Social Welfare:

Social Welfare Programs:

God has been gracious toward GBBM India in the year of 2016. The climate/weather this year had been scorching hot. Severe drought conditions were prevalent across all states. The ministry was hampered to a considerable effect. To say the least, movement of our Community Development Officers to various villages was severely restricted. Even many Banjara, who are of migratory or wandering nature, were compelled to migrate to the places where they could earn money for their living. Only in September we received good rains. We thank God for His mercies.

Awareness Camp on Tuberculosis & HIV/AIDS:

GBBM focuses on socially, educationally, and economically backward and downtrodden people of rural India, the Banjara (Gypsy) people specifically. Smoking and taking alcohol is commonly accepted as part of the culture in their community. As a result of this practice, many men and women end up with tuberculosis. Illiteracy and innocence are causing many young people get infected by HIV/AIDS. To educate people in these areas, GBBM conducted awareness campaigns in several regions.

Medical Camps:

One of the regular programs of GBBM is conducting medial camps in rural areas. This year we also conducted medical camps in Devarakonda, Gurrapu Thanda, Mahabubabad, Nekkonda, and Amanagal areas.

Life Transformation Seminar:

A seminar on life transformation was conducted in Hyderabad from May 12-14, 2016 for those who were caught in bad habits and addicted to alcohol. Value of our lives, health tips, and remedies to addiction were provided by experts.

2-Day Training on Basic Christian Counseling:

In the month of August, 2016, Dennis & Patty Nun from Lincoln, Nebraska came to Hyderabad India, and conducted a 2-Day Training on Basic Christian Counseling. Ms. Patty is very experienced and a licensed counselor. Her husband assisted in various sessions. About sixty candidates attended this training, and most of them were GBBM full-time staff.

Mr. Dennis Nun taught Banjara young men and women who wanted to enter into the business field.

Josh Trexel, a college graduate from Nebraska University, came to India and spent a few days with GBBM to teach basketball to our youth. Hundreds of boys and girls had their first experience holding a basketball in their hands, and learned basic tips on how to handle a basketball.

Samaritans' Purse:

Operation Christmas Child (Shoe Boxes) were distributed in GBBM serving areas in September, 2016. These boxes were long awaited. We applied for them in 2014. Nearly 1,500 gift boxes were distributed to children ages 2 to 14 years old. We thank all the boys and girls of the United States who prepared and sent them. GBBM is also grateful to the Operation Christmas Child organization and to Dr. Franklin Graham.

Heart-Head-Hand Conference:

Harvest Church Memphis comes three times a year to conduct Discipleship training for GBBM's promising leaders. In the year 2016, the Church visited twice with a team to provide spiritual training for us. The Heart-Head-Hand concept was wonderful, and everybody who attended this training benefited from it.

We continued to provide assistance to farmers in making good yields and avoiding unnecessary expenditures. Mr. C. V. Abraham, one of GBBM India's Board members, loves to help the farmers with knowledge and the expertise he is blessed with.

Christmas Celebrations:

GBBM has ministers in more than 200 Banjara villages.
